American Yacht Harbor

ST. THOMAS, US VIRGIN ISLANDS

Location is Everything! Island Global Yachting's American Yacht Harbor located in Red Hook, St. Thomas, US Virgin Islands is the closest U.S. marina to the cruising grounds to the British Virgin Islands. It is also a short hop to both the Spanish Virgin Islands as well as the anchorages of the Virgin Islands National Park on St. John. Paradise literally awaits at our doorstep.

To top that, AYH is located only a short run to the world-renowned fisherman's Zion of "The North Drop." There is a reason why the "who's who" of sport fishing can be found plying our waters hunting granders. The marina offers easy access to the big-game waters of the Virgin Islands. Whether it be dinner-sized or trophy worthy, our staff is always available to help you with your prize catch.

UNMATCHED OFFERINGS

American Yacht Harbor is truly a Destination Marina. Our surrounding marina village is highlighted with multiple shopping, dining, and entertainment options creating the beginning to a great evening. There are eleven restaurants giving you plenty of variety to fit every palate and dietary restriction. Multiple grocery provisioning options create the opportunity to make AYH your charter base. AYH offers an on-site business center with mail, phone, fax and complimentary WiFi.

There's also a brand new fuel dock completed during the summer of 2019 with in-slip fueling available as well as used oil disposal and mobile pump-out service available for sewage disposal. There's even an on-site laundry facility.

Travel access to the US Virgin Islands is easy as American Yacht Harbor is only a short 30-minute cab ride from Cyril E. King Airport. There is inter-island air service to many Caribbean islands. Several direct flights depart dead to major international hubs.

We are here to make your visit easy. A skilled dock attendant will report to the slip to assist with docking, line handling, and connections. The staff will answer any questions you have. A Customs & Immigration Office is located within close proximity at the adjacent Ferry Terminal.

For Yachts up to 100' and 10' draft, we are one of the few marinas in the region welcoming accommodating catamarans. 10 slips are perfect for catamarans and four of those are right on the main channel.

Book now as advanced reservations are strongly recommended at American Yacht Harbor. We cannot guarantee available berthing for guests arriving without a reservation.
